

Merry Masked Mania

Role Up Roll Up.... Come one come all and play in the Merry Masked Mania (or Healthy Hickory..... Social Distancing and Masks to go into clubhouse for the Loo). On the course, masks can be use to fish golf balls out the ponds.

In light of no sanctioned Hickory Tour or Hickory Scrambles..... I know everyone extends thanks to Lorne Emery for a stellar job of getting us out on the "Impromptu League"..... anyway.... the Hickory Tour Committee (all two of us) thought it would be fun to have a "friendly" round (scorecards optional) where you could....wait for it... this is exciting stuff
