**Sunday September 27, 2020**

### **WHISPERING RIDGE GOLF CLUB**

**Format:** This event is a Fun 18 Hole Mad Dog Scramble so please submit your name or your 4-person team list as soon as possible. Singles are welcomed and will be paired with others by Committee to create 4-person teams. Loaner Clubs will be available and provided for your guests to use....**HINT...HINT...HINT... so bring a guest to introduce to Hickory Golf !**

(A Mad Dog Scramble entails taking the teams best drive and then all players play their own ball from there to finish the hole. Best 2 balls count as team score. In this way players get to play their own ball from what is *hopefully* a good team drive. We will apply a Callaway handicap to the players gross scores to even out the team results.)
